The future **of automated retail.**

Transform your business with the innovative Smart Store 700.

Smart Store 700 Key Benefits

Enhanced Customer Experience:
Your customers will enjoy a hassle-free shopping experience by easily tapping their card to open the cabinet(s), grab their product(s), and go.
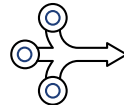

Secure & Reliable Technology:
With a **99%** accuracy, our solution uses weighted shelf technology and cameras at the POS to monitor and track items removed from the store.

Turn-key Setup & Installation:
Easily add in or change products all at the point-of-sale (POS) to tailor planograms that meet your customer needs.

Flexibility to Scale Store Size:
Start with one Smart Store 700 or scale up to 4 units connected to one POS terminal – allowing for up to 94 slots (24 per cooler).

MOST POPULAR

Smart Store 700 Duo

A 2-cabinet solution that can offer both cooler or ambient options for the flexibility of your location or product mix.

Quick Facts

- Uses Cantaloupe's P66 card reader for payment process & sales reporting into device management software
